2006 Open Studio Tour

Saturday, Oct. 7 1 - 6P.M.
Sunday, Oct. 8 1 - 6p.m.

Enclosed in this brochure you will find a key ring with a tag attached. This is the beginning of a numbered, limited edition book of original art. Bring this key ring with you as you tour the CAAW studios & collect the unique works in many different media that our artists have created especially for this event. The more studios you visit, the bigger your book will become. A very small amount of key rings will be available upon request, but only one key ring per family please.
